Child Benefit

Child Benefit (previously known as Children's Allowance) is payable to the parents or guardians of children under 16 years of age, or under 18 years of age if the child is in full-time education, Youthreach training or has a disability. The rate of Child Benefit is currently €140 per month for each child. You need to apply for Child Benefit within 12 months of:

The birth of your baby **or**

The month the child became a member of your family **or**

The month the family came to live in Ireland.

For information on how and where to apply see:

http://www.citizensinformation.ie/en/social_welfare/social_welfare_payments/social_welfare_payments_to_families_and_children/child_benefit.html.

Driving in Ireland

- If you have a driving licence issued by an **EU/EEA member state** you can drive in Ireland as long as your existing licence is valid. If you wish to exchange your driving licence for an equivalent Irish driving licence, you must do so within 10 years of your driving licence expiring.
- **As a visitor to Ireland you can drive on a driving licence from any state outside the EU/EEA for up to a year** provided the driving licence is current and valid. However on **taking up 'normal residence' in Ireland you must either exchange your driving licence or apply for a driving licence in Ireland.**
- Ireland has agreements with certain countries/states that designates them as recognised states for the purposes of **driving licence exchange**. Recognised states are: Australia; Gibraltar; Guernsey; Isle Of Man; Japan; Jersey; South Africa; South Korea; Switzerland; New Zealand; Taiwan; Ontario, Manitoba, Newfoundland & Labrador Provinces of Canada.

NOTE: Applications to exchange a licence may take 2/3 months to process.

- If you are not from any of the above countries, (e.g. The United States), and you hold a national driving licence or an international driving permit from your own country, you may drive in Ireland for the duration of your temporary visit (**up to 12 months**). If your stay in Ireland will be more than 12 months you can apply for an Irish driving licence but you will need to go through the **full driver licensing procedure**. You must first pass a **driver theory test**, apply for a **learner permit**, complete a course of **Essential Driver Training (EDT)** and **pass your driving test** in Ireland. If you pass your driving test, you can then apply for a full Irish driving licence.

For detailed information see: <https://www.ndls.ie/> and <https://www.ndls.ie/holders-of-foreign-licences.html>

Personal Public Service Number (PPS number)

Your Personal Public Service Number (PPS number) is a unique reference number that helps you access social welfare benefits, public services and information in Ireland. You must be living in Ireland to apply for a PPS number (you cannot apply before you arrive in Ireland). Before you can be allocated a PPS number, you must show that one is required for a transaction with a specified body. For example, if you are taking up employment, you need a PPS number to register with the Revenue Commissioners. You will be asked to produce documentary evidence of identity (e.g. passport) and residence in Ireland. Any of the following documents showing your name and address can be used as proof of residence: A household utility bill; An official letter/document; A financial statement; Property lease or tenancy agreement; Verifiable employer's letter; Confirmation of address by a third party such as a school principal/administrator, accommodation/property owner or manager.

PPS numbers for **children** living in, but not born in Ireland, must be applied for by the parent/guardian. One of the parents/guardians must have a PPS number for the child to be registered and linked with their data. The parent, foster parent or guardian should attend with the child, and provide evidence of his/her own identity, the identity of the child, evidence of the requirement for a PPS number, and evidence of the relationship between the parent/guardian and the child.

To apply for a PPS number you need to book an appointment at a PPS Number Allocation Centre – you can book an appointment online at www.MyWelfare.ie.

For more details see <http://www.welfare.ie/en/Pages/Personal-Public-Service-Number-How-to-Apply.aspx>.

Tax Rebates

If you have overpaid tax can claim a tax refund. You must claim your refund within 4 years of the end of the year in which the overpayment occurred. To find out whether you owe tax or are due a tax refund you can request a P21 at the end of the year (for pay as you earn (PAYE) employees).

You can request a P21 using the online myAccount Service (<https://www.ros.ie/myaccount-web/home.html>).

To get a P21 you must send the following to your district tax office:

- (i) P60 form (and, if relevant, a P60 form for your spouse or civil partner) for the tax year
- (ii) Details of your claim for additional tax credits. Eligible expenses include:
 - a. Medical expenses you pay for yourself and on behalf of any other person, that are not covered by the State or by private health insurance. For more information on claiming back tax on medical expenses see:
http://www.citizensinformation.ie/en/money_and_tax/tax/income_tax_credits_and_relief/taxation_and_medical_expenses.html#ld1a9a
 - b. Dental expenses - non-routine procedures, including crowns, braces, root canals, veneers, surgical extraction of impacted wisdom teeth and bridgework. A Med 2 Form must be obtained from your Dentist to claim back tax on these expenses.
 - c. Pension contributions qualify for relief at the higher rate of tax. If you are in a work pension scheme, this relief is usually given automatically through your payroll system.

If you become unemployed during the tax year and have paid tax since the start of the year (1 January) you may be entitled to a tax refund. You should apply 4 weeks from the date you become unemployed, however, if emergency tax was being deducted by your former employer you should apply immediately. If you are getting another income which is taxable, such as taxable social welfare payments, you should apply 8 weeks from the date you became unemployed. To apply for a tax repayment because you are unemployed submit Form P50 (<https://www.revenue.ie/en/jobs-and-pensions/documents/form-p50.pdf>) to your tax office with Parts 2 and 3 of your P45 (which you receive from your employer).

Health Care

Medical Cards allow people to access Family Doctor or General Practitioner (GP) services, community health services, dental services, prescription medicine costs, hospital care and a range of other benefits free of charge. Medical card eligibility is based on an assessment of means. To qualify your weekly income must be below the income threshold. Any income, savings, investments and property (except for your own home) are taken into account in the means test. For further information on income thresholds, eligibility and how to apply see: <http://www.hse.ie/eng/services/list/1/schemes/mc/about/>

All **children under 6** are entitled to free GP (general practice) care. In order to avail of this free service you must register for a **GP Visit Card** for your child before attending the GP. You can register online - <http://www.hse.ie/eng/services/list/1/schemes/mc/gpvc/under6.html>. You will need your child's PPS number, a parent's PPS number and a GP's name. A list of GPs participating in the free GP visit scheme is available on the website. Once you complete the registration process, details are sent to your GP of choice who must accept your child or children to his or her patient panel so it is a good idea to contact the GP first to make sure that they are accepting new patients. Once the GP of choice has confirmed acceptance of the registration of your child or children, a GP Visit Card will be issued within a few days.

If you do not have a PPS number for your child, see section above on how to apply for a PPS number.

A credit union is a group of people (members) who save together and lend to each other at a fair and reasonable rate of interest. Regular savings form a common pool of money, which in turn provides many benefits for members. Each credit union is owned by the members, who both save with, and borrow from it. As a member, you will receive a dividend on your savings and you have access to loans at fair and reasonable rates. For more information see <http://www.creditunion.ie/>.

Public Transport

Trains

Malahide and Portmarnock are both served by the DART (Dublin Area Rapid Transit) and commuter trains. DARTs start at Malahide and run along the coast through the city centre (Tara street, Pearse street) and south county Dublin finishing at the Bray or Greystones in Co Wicklow. Northbound DARTs travel to either Malahide or Howth so if you are getting the DART from the city centre ensure you are on the DART for the Malahide line and not the Howth line – the lines split at Howth Junction. Dublin Northern Commuter trains run from Pearse Station via Dublin Connolly Station to Dundalk and some of these trains stop at Portmarnock and/or Malahide. For detailed timetables see <http://www.irishrail.ie/>.
